

Welcome to AU Small Finance Bank

Thank you for choosing AU Small Finance Bank.

We started our journey in 1996 as Au Financiers, an NBFC. Under the aegis of RBI, we transformed into AU Small Finance Bank in 2017. The same year, AU Bank registered a stellar stock exchange listing and debuted into the Fortune 500-India list. AU was the only asset financing company to become a Small Finance Bank as it focused on financial inclusion, followed the last mile delivery model and has been vigilant on good governance. Our enviable track record and impeccable asset quality have earned us the prestige of one of the fastest growing banks of India.
