2. Any training prior to the date of your registration with NBEMS will not be considered towards DNB/DrNB/FNB training.

3. It is for your information and for the information of the institution concerned that the National Board of Examinations in Medical Sciences reserves its absolute right to alter its examination schedule, pattern, rules, policy and guidelines at any time during the continuation or after the completion of your training. The grant of Provisional Registration is only for undergoing training and does not confer any suo-motto right whatsoever, to any DNB/DrNB/FNB trainee for appearing in the DNB/DrNB/FNB final/Exit examinations of NBEMS of any particular session in accordance with any past or present schedule, policy and guidelines. The eligibility to undertake any particular DNB/DrNB/FNB Final/Exit Examination will be determined strictly in accordance with the eligibility criteria laid down in the information bulletin for respective session.

4. NBEMS reserves its absolute right to take appropriate action including withdrawal of the candidates' registration and to recover damages against concerned hospital/withdrawal of accreditation if it is found that the candidate/Institution is not adhering to NBEMS guidelines / policies / directions and /or the terms of the instant Provisional Registration letter / letter of accreditation.

5. You are advised to read the latest Bulletin of Information carefully, when you apply for the DNB/DrNB/FNB Final/Exit examinations specially, the eligibility criteria, schedule of examinations for better understanding of the Rules and Procedures in order to avoid rejection of application and forfeiture of examination fees.

6. Trainee(s) are also advised to quote the allotted Registration No. while applying for the Final/Exit examinations of NBEMS and also in all future correspondence of NBEMS. Registration number assigned to you is your unique identification number with NBEMS and has to be mentioned in all correspondence forthwith with NBEMS.

7. In order to avoid any delay in processing of any application for examination or thesis submission, the respective application forms are to be sent to this office duly filled in and signed/stamped by the competent forwarding authorities along with required documents as per prescribed information bulletin.

8. NBEMS Leave Rules:

8.1. DNB/DrNB/FNB Trainees are entitled to avail leave during the course of DNB/DrNB/FNB training as per the Leave Rules prescribed by NBEMS.

8.2. A DNB/DrNB/FNB Trainees can avail a maximum of 30 days of leave in a year excluding regular duty off/ Gazetted holidays as per hospital/institute calendar/policy. This leave shall be processed at the institutional level.

8.3. Any kind of study leave is not permissible to DNB/DrNB/FNB Trainees.

8.4. Under normal circumstances leave of one year should not be carried forward to the next year. However, in exceptional cases such as prolonged illness, the leave across the DNB/DrNB/FNB training program may be clubbed together with prior approval of NBEMS.

8.5. Unauthorized absence from DNB/DrNB/FNB training for more than 7 days may lead to cancellation of registration and discontinuation of the DNB/DrNB/FNB training and rejoining shall not be permitted.

8.6. Any Leave availed by the candidate other than the eligible leave (30 days per year) shall lead to extension of DNB/DrNB/FNB training. The training institute has to forward such requests to NBEMS along with the leave records of the candidate since his/her joining and supporting documents (if any) through the Head of the Institute with their recommendation/comments. NBEMS shall consider such requests on merit provided the seat is not carried over and compromise with training of existing trainees in the Department.

8.7. Any extension of DNB/DrNB/FNB training beyond the scheduled completion date of training is permissible only under extra-ordinary circumstances with prior approval of NBEMS. Such extension is neither automatic nor shall be granted as a matter of routine.

8.8. DNB/DrNB/FNB trainees are required to complete their training by a prescribed cutoff date (as per information bulletin of Exit exam) for being eligible to DNB/DrNB/FNB Exit examination.

8.9. The eligibility for DNB/DrNB/FNB Final Examination shall be determined strictly in accordance with the criteria prescribed in the respective information bulletin.

9. The concerned Heads of Accredited Hospitals/Institutes and DNB/DrNB/FNB Program coordinators must ensure that the leave guidelines as prescribed by NBEMS are strictly adhered to; failure to comply these guidelines and sanctioning leave beyond purview of NBEMS leave norms may have an adverse impact on the renewal of accreditation.

10. Thesis/Dissertation

10.1 Thesis submission and its acceptance is a mandatory requirement towards partial fulfillment of award of DNB/DrNB degree certificate. It is essential for all DNB/DrNB candidates to submit their thesis within the prescribed time limit.
